The rebate is \$10 per year of CEA Student Membership to a maximum \$40 rebate and \$20 per year of NEA Student Membership to a maximum rebate of \$80. The rebate is not available for membership during the fifth year of any teacher preparation program, internship, or graduate school courses. The rebate is not available to any member who has already been an Active Teacher member and is working or worked on an advanced degree. Your rebate check will be mailed in the spring or summer of the year following your application which must be by December 1 of your first year of teaching. CEA will notify NEA and NEA will send you a check directly.

I understand that I am eligible for a rebate on my state and national dues if I join CEA-NEA and my local association (if eligible) as a Teacher Member during the first year I am eligible to do so. I understand that I must join no later than December 1 of the first year I am eligible to be a Teacher member; be recorded on the CEA-NEA membership files by January 1; and send this form to CEA by July 1. I certify that the information regarding my Student Membership is correct as stated here.
