RE: 2019 CEA Awards Criteria and Nomination Process

Every year CEA honors remarkable educators and friends of public education from across Colorado at our Delegate Assembly.

With so many people doing extraordinary things in their classrooms, school buildings, meeting rooms, and at the legislature, we need your help to find them. You can nominate a friend, fellow association member, community leader, or colleague – any Coloradoan who you admire and believe exemplifies the criteria of a respective award.

Recognizing someone can make a difference and one nomination is all it takes to shine a light on someone you admire that deserves recognition.

Review this process and consider whom you may want to honor with a nomination. Some awards are intended for individuals while other awards allow for an individual or group to be nominated. Your nominee may be selected for recognition at CEA's Delegate Assembly when our annual awards are presented on Saturday, April 13, 2019.

This booklet contains the same awards criteria for each of CEA's awards and nomination information that will be available online. The form has been streamlined to facilitate an efficient nomination.

Nominations can be made by individuals or by a group such as a Local Association.

Please take the time to honor those who have worked so hard for you and with you.

All nominations must be received through the online form by
5:00 pm, Wednesday, January 2, 2019.

2019 CEA Awards Nomination Guidelines and Criteria

Purpose

The Colorado Education Association recognizes members and people outside the organization who make significant contributions locally and statewide to the teaching profession, bargaining, member rights, member recruitment and retention, human relations, multiculturalism, and/or diversity in public education and to the Association.

Please read about the awards and the scholarship and study the guidelines and the award criteria carefully. Some awards are intended for an individual and other awards allow for an individual and group. Think of people or groups whose activities may make them eligible for various awards and follow this nomination process.

I. Gather all of your contact information and documents before going to the online nomination form:

- 1) Nominee Personal Information
 - 2) Nominator Personal Information
 - 3) Summary of Qualifications
 - 4) Resume or working biography (from nominee)
 - 5) Letter of Recommendation #1
 - 6) Letter of Recommendation #2
 - 7) Letter of Recommendation #3 (only for Johnson Memorial Scholarship)
- Each Award specifies the number of evidence that should be included.**

II. Save all of your information/documents in a folder on your computer.

III. Upload your documents into the nomination form now through 5:00 pm on Wednesday, January 2, 2019.

Eligibility

All current unified members of CEA, including teachers, education support professionals, and higher education faculty will be considered. Local Presidents must be notified of any nomination being made for a member of their local association.

Submission

Find the nomination form by clicking [HERE](#). Please note that you will need multiple pieces of documentation, so please have the following items ready:

- Nominee Resume or working biography.
- A minimum of two letters of recommendation.
- A minimum of three supporting materials and/or pieces of evidence for the nominee. These can be articles, testimonials, examples of work related to the award, videos, etc.

Deadline

Nominations must be submitted via the online form by 5:00 pm on Wednesday, January 2, 2019.

Selection

All nominations are reviewed by the Awards Committee which recommends award recipients to the Board of Directors. Each nomination is evaluated on how well the nominee meets the criteria for the award.

The Awards Committee relies solely on the information in the nomination to make its recommendations. It is imperative that the required information be submitted.

Nominations that do not meet the award criteria or do not provide the required materials will not be considered.

The Awards Committee encourages each local and/or UniServ Unit to establish local awards for recognition of both members and people outside the organization who make significant contributions locally. Any award received at the local or unit level is a general criterion for all CEA awards.

In the absence of suitable nominations, a particular award may not be given this year. If more than one nomination is worthy of the award, there may be multiple awardees.

The Awards Committee reserves the right to recommend to the Board of Directors special recognition of any individual or group.

To make the nominating process meaningful and to encourage locals and units to submit nominations, the Awards Committee has streamlined the process by limiting the number of support materials to be uploaded and making this an online process.

The Awards Committee is a committee of the CEA Board of Directors and maintains confidentiality regarding all nominations. Recommendations are made to the Board for a vote.

Evidence

Each Award has required criteria. The Awards Committee will look for evidence of these criteria when judging the nominations.

Notification

The nominator and awardee are notified in writing by the CEA President the week of January 28th. Awardees and guests are invited to attend the CEA Awards Ceremony which is held at the annual meeting and Delegate Assembly in April.
